Treasures of the Catholic Church Camp has limited space available. Registration is not complete and your place is not reserved until we have payment (\$100 per child, no more than \$300 per family) and completed Diocesan release forms. If your child participated in the religious education program this year, these forms may already be on file. Please register high school volunteers on this form. There is no fee for high school volunteers, but we do need the diocesan paperwork.
